

To whom it may concern,

I am writing this letter of recommendation on behalf of Luke Huntrods. I think Luke will be a good candidate because he has shown responsibility for taking care of animals and gives back to his community by helping others.

Luke has been active in 4-H and has spent the last 8 summers working with goats for his 4-H project. He spends around 2 hours every day feeding them, cleaning pens, and teaching them how to walk and stand. It takes a lot of patience and work to get a goat to behave how you want in the show ring. He is caring and treats the animals with kindness, so I trust him to handle my goats correctly. He has also helped put on goat workshops for his 4-H club and has worked with younger 4-Hers who are interested in the goat project.

Luke has a very busy schedule between 4-H, sports and working weekends at the bull stud. It takes a very organized and determined individual to accomplish all that he has done.

Thank you,

-Laura Huinker, owner of Breezy Acres Boer Goats
