To Whom It May Concern:

During the past five years, I have had the pleasure of having Luke Huntrods as a student and FFA member. As he graduates and prepares to accept new challenges, I welcome the opportunity to provide a recommendation on his behalf.

In my association with Luke, he has been an excellent student and FFA member. He has taken on many leadership roles in the FFA. He is willing to put in the extra effort to complete what needs to be done. He has been involved with many opportunities to enhance his learning. He has been a great asset to have as a FFA officer and agricultural student.

Luke is a hard worker and has set his future educational goals. He is excited to start his new endeavors as he pursues a postsecondary education. Please contact me with any questions and let me know if I can provide any additional information. You can contact me at jamie.waddingham@northpolk.org.

Sincerely,
